

Dear ÉSE Parents,

Lyuba and Ginette will once again be your milk coordinators. We will be starting the Milk Program around Sept. 16<sup>th</sup>. Please send your child with a small cup and it will get filled with milk. Your milk cards do not expire. If your children have milk left from last year, they are still valid to use this year. If you are not sure if your child has any left, please call or e-mail the office, or have your child ask the students pouring milk during lunch. The milk program is a fundraiser for the Grade 5 & 6 camp trip at the end of the year. The students from grade 5 & 6 will be the ones responsible for the serving and relaying messages that your child is running low on milk tickets. We will be offering chocolate and white milk. Milk prizes will be drawn each Friday for those who have ordered.
